School Mission: We the staff of Endeavour Intermediate School assist our students in becoming better readers, writers, problem solvers, scientists and mathematicians. We are preparing them to be successful 21st Century global citizens.

Dear Endeavour Families,

Welcome to the 2014-2015 school year! I hope you have all had a restful and relaxing summer, that your travels have been safe, and that you and your children are getting very excited for the first day of school on **Wednesday, September 3rd, 2014**. Our school day this year begins 10 minutes earlier than last, at **9:15am**. (see details on p. 2 of the newsletter.)

My name is Paula McPhee and I am thrilled and honored to be Principal in your community. The past school year was my first school year as Endeavour Principal having served two years as an elementary principal in the Bellevue School District, and previously worked as a mathematics teacher coach for the state of Washington and a classroom teacher for 11 years. From what I have learned and experienced, Endeavour Intermediate is truly a special place to be!

The staff is looking forward to the start of school. Many staff members have been attending summer workshops, including the Common Core Literacy, Ramp Math, and CHAMPS, in preparation for this school year. We will be working together on August 27th week to talk about our school goals for the year, school wide positive behavior support, student safety, curriculum, and assessments. Everyone is currently busy preparing classrooms and learning spaces.

Your child's teacher will be assigned in the coming weeks and you will receive a letter from them in the mail after August 21st. Then during our Back-to-School Night August 28th, (details below), students with their families, can bring their school supplies, find their classrooms, get questions answered, that evening.

I'd like to invite Endeavour families to join me in our first **Principal Coffee** to be held on **Tuesday, September 9th from 9:00 AM – 9:45 AM**. The purpose of these quarterly gatherings will be to connect, communicate and identify and delve into topics of interest in order to support student learning.

See you soon! Warmly, *Paula McPhee—Endeavour Principal*

Estimadas familias Endeavour,

Bienvenidos al año escolar 2014-2015! Espero que todos ustedes han tenido un verano tranquilo y relajante, que sus viajes han estado a salvo, y que usted y sus hijos están recibiendo muy emocionado por el primer día de clases el miércoles, 3 de septiembre de 2014 El día de nuestra escuela este año comienza el 10 minutos antes que en la última, a las 9:15 am. (ver detalles en la pág. 2 del boletín.)

Mi nombre es Paula McPhee y estoy muy emocionado y honrado de ser director en su comunidad. El año escolar pasado fue mi primer año de la escuela como Endeavour Principal después de haber servido dos años como director de primaria en el Distrito Escolar de Bellevue, y anteriormente trabajó como profesor de maestros de matemáticas en el estado de Washington y un maestro por 11 años. Por lo que he aprendido y experimentado, Endeavour Intermedio es verdaderamente un lugar especial para estar!

El personal está a la espera del inicio de clases. Muchos miembros del personal han estado asistiendo a talleres de verano, incluyendo el Core Literacy Común, Rampa de Matemáticas, y CHAMPS, en preparación para este año escolar. Vamos a trabajar juntos en la semana 27 de agosto para hablar de nuestras metas para el año, todo el apoyo para la conducta positiva de la escuela, la seguridad del estudiante, el currículo y las evaluaciones. Todo el mundo está actualmente ocupado preparando aulas y espacios de aprendizaje.

El maestro de su hijo será asignado en las próximas semanas y usted recibirá una carta de ellos en el correo después de 21 de agosto. Luego, durante nuestra 28 Back-to-School Night agosto (detalles a continuación), los estudiantes con sus familias, pueden traer sus útiles escolares, encontrar sus salones de clase, conseguir preguntas contestadas, esa noche.

Me gustaría invitar a las familias a Endeavour unirse a mí en nuestro primer Café Principal que se celebrará el martes, 9 de septiembre, de 09 a.m.-9:45 AM. El propósito de estas reuniones trimestrales será conectar, comunicar e identificar y profundizar en temas de interés con el fin de apoyar el aprendizaje de los estudiantes.

Hasta pronto! Con gusto, *Paula McPhee—Endeavour Principal*
